The Edmond CVB nominated LibertyFest for the Oklahoma Travel Industry Association's 2013 Red Bud Award for Outstanding Event of the Year. While LibertyFest has long been an exceptional event, this was the first year we were able to nominate it. The time frame of nominated events used to be based on a fiscal year (July-June). Because LibertyFest events spanned both June and July that simply didn't fit the parameters of the award guidelines in earlier years.

OTIA has changed that to a calendar year time frame. LibertyFest received well earned recognition and we are pleased to see it recognized on a statewide basis by the tourism industry. You can learn more about the OTIA Red Bud Awards at: <http://www.otia.info/displaycommon.cfm?an=1&subarticlenbr=130>
